

## ADDITIONAL INFORMATION

**Bring your dog** to class in a flat buckle collar. Once we get to know your dog, we may suggest another style. Handlers are expected to bring dogs to class in the type of collar Positive Dog Training instructors have recommended. All dogs should be on either a LEATHER or NYLON/COTTON webbing 6' leash.  
**NO CHOKE CHAINS COLLARS OR CHAIN LEASHES!**

**Bring small size treats** for your dog. Either feed your dog early on class day, or plan to feed after class if possible.  
A dog that has eaten a meal is often very sleepy!

If your **puppy** is not fully house-trained, bring paper towels and plastic bags with you to class. You will be asked to "TAKE YOUR DOGS ACCIDENTS WITH YOU" as we do not have the disposal facilities to handle so many dogs.

**New Students:** Your dog **MUST** be current on ALL vaccinations!  
**Please bring your dog's shot records for us to review the first week of class.**

**Female dogs** that come into season may be brought to class. They must, however, wear "britches" (sanitary protection) which may be purchased at local pet stores.

**PLEASE ..... DO NOT BRING A SICK DOG TO CLASS!**  
We do however, encourage you to come without your dog so you don't miss out on that week's material.

**Classes are by pre-registration only.** All registrations received the day our term begins or later will cost an additional \$5.00. Class size is limited to 15 dogs, so please register as soon as possible to assure your place in the class. (Classes with fewer than 5 dogs registered may be cancelled).

**Two or more dogs** from the same household enrolled in our classes in the same term? Take \$5.00 off each class enrolled in! (Good for \$90.00 classes only).

**REFUND POLICY:** Sorry ... no refunds or credits.
