

TREIBBALL!!

What is TREIBBALL???

This is the NEW DOG SPORT that is
overtaking
EUROPE and AMERICA!

Dogs "herd" a group of balls, one at a time, from the center field to the soccer-style net at the end of the field. Handlers use herding commands to send dogs out to the balls, then dogs bring the balls back in certain order.

TREIBBALL CLASSES STARTING NOW!
At Positive Dog Training School in
Woodinville

Handlers will learn to:

Send dogs out in both directions (right and left) to run out to the ball

How to give direct commands to guide dog to correct ball

Dogs will learn to:

To line up correctly behind the ball

To push the ball in the correct direction

This is a FUN FUN FUN SPORT for ANY DOG!
While the herding dogs will finally have a chance to herd something at home, ALL dogs can and do enjoy this sport.
